

## **2017-18 League Fixture Control Panel Decisions**

**1<sup>st</sup> December 2017**

**Club Name:** HKCC

**Type of Request:** Seeking dispensation to play a 5th player from outside their 32-man squad, due to injuries and unavailability.

**Approved Yes/No:** Yes

**Reason:** The LFCP felt that request was reasonable and HKCC had demonstrated they were not bringing in a game breaker but a 2<sup>nd</sup>/3<sup>rd</sup> team player to sit on the bench.

**13<sup>th</sup> December 2017**

**Club Name:** HKCC

**Type of Request:** A postponement for Saturday's Premiership game against Kowloon under League Rule 18.3

**Approved Yes/No:** No

**Reason:** the LFCP could not find a suitable make up window to accommodate a postponement, without having to put both sets of players under considerable pressure to back up. Players from both teams would have to potentially play 3 games within a 7 day period. The LFCP have made the decision that the match will be forfeited to Kowloon 20-0 and HKCC will be deducted 1 league point.

**26<sup>th</sup> January 2018**

**Club Name:** HKCC

**Type of Request:**

1. Type of Request: Dispensation to field a match-day 23 with only 12 x HKQ: Rule 12.3
2. Dispensation to play a player on a Tourist Visa: Rule 6.2.2, 12.1, 12.4,
3. Dispensation to field 5 players from outside our 32-man squad: Rule 12.4

**Approved Yes/No:** Yes

**Reason:** Given the current circumstances at HKCC and to ensure that the premiership fixture is fulfilled this weekend the panel approved the dispensation request. They noted that HKCC should seek dispensation earlier to allow them to complete the remainder of the season.
