Mini-Rugby Showcase at 2017 HK 7s - Information for Coaches and Parents

We have almost 2,500 children to get safely to and from their games and very little time to do it. Please help make this possible by reading and following these notes.

Players (parents please note)
DO:
<ul style="list-style-type: none">✓ Wear full club kit.✓ Bring mouthguards - you won't be able to play without one.✓ Be ready to play as soon as the hooter goes and get off the pitch immediately when your game is over.
DON'T:
<ul style="list-style-type: none">✗ Bring bags or water bottles through the tunnel. These will not be allowed on the pitch.✗ Wear jewellery (necklaces, earrings, etc), hard hair clips or non-approved glasses. Soft hair ties and rugby-approved glasses are allowed.✗ Huddle on the pitch before or after your match.

Coaches
DO:
<ul style="list-style-type: none">✓ Wear coaches' kit: club shirts and sports shorts/shoes.✓ Get on and off the pitch quickly, and go straight through the tunnel area once finished.✓ Bring your team to the West tunnel entrance on time, no stragglers, and take the team through the tunnel in one group.✓ Check that your players DO have mouthguards and club kit.
DON'T:
<ul style="list-style-type: none">✗ Allow players to bring bags or water bottles through the tunnel. These will not be allowed on the pitch.✗ Block the tunnel area or pitch entrance after matches.✗ Huddle or linger on the pitch after your match, or hand out medals in the tunnel area.✗ Try to bring any of your team down the steps at the North Stand.

FRIDAY & SATURDAY – HK Stadium

1. No time to mess around at the start of the day. Get to the Stadium gates early. Teams playing first go straight from gate to tunnel to the right of the entrance gates at West Concourse Level and past the bottom of the escalator. Don't try to get a seat first - send someone else to do that.
2. **For teams playing in the first time slot on Saturday only** (i.e. 7:15am kick-off), your club chairs will be in touch with to discuss special arrangements.
3. All teams to be at the tunnel entrance (West concourse) at least 15 minutes before the kick-off time of your game. Be ready to enter the tunnel when called to do so by the officials at the door. Teams playing on Pitch 3 (South) will be asked to enter first, then Pitch 2 then Pitch 1. Walk down the ramps, as they can be slippery if wet. We do not want any injuries. Beware of vehicles and other traffic in the tunnel. There will be Tunnel Assistants to guide you. Please obey their instructions.
4. Maximum of **2 coaches per team** (wearing Club shirts). Maximum of 3 replacement players per team.
5. Go to the top of the ramp leading to the pitch and check in with the Showcase coordinators at the tunnel exit onto the pitch. They will make sure you have come in at the right time and will check players for mouthguards and sharp objects (hard hair clips, ear-rings, etc). They will direct you to your warm-up area. If you have come through too early, they may instruct you to go back down the tunnel and return at the correct time. Keep to the right side of the ramp all the time you are on it, to allow teams leaving the field to travel through the tunnel, and to leave a clear channel in the middle for officials, media etc.
6. Make sure you know which pitch your team is playing on and where it is. Keep players together and as orderly as possible. Report to Pitch Marshall and take instructions as to where to warm up. Warm-up and match balls will be provided. **No balls will be allowed through the main gates.**
7. **Do NOT take water or bags/backpacks to the pitch.**
8. All coaches **MUST** be wearing proper sportswear (in club colours) including suitable footwear and shorts (or tracksuit bottoms). Make sure all players are wearing proper kit (club shirt/shorts/socks/footwear)

and have **MOUTHGUARDS**. Ensure players are not wearing any form of jewellery, wrist bands, necklaces, watches, sharp hairgrips, hard hair clips, or anything else that might injure any player.

9. There is very limited warm-up space. Please stay off playing areas while you are waiting for your game. Go onto the pitch as soon as previous game finishes and be ready to play straight away. Team huddles before or after the match waste your and other teams' playing time. Games will end on time (even if they start late).
10. Once your game is over, get off the playing area straight away. Teams should go back to the tunnel via the walking space (black rubberised surface), NOT on the grass. This will allow room for the next teams to take their places on the side lines ready for next games. Please do NOT linger on the playing area to take photos (or for any other reason). Do NOT allow children to lean against signage around the pitch: **it is not designed to be leant on and is not safe.**
11. One coach from each team please collect a set of medals from HKMFRU officials who will be in the front row of seats to the right of the West Tunnel. Do NOT distribute medals at the side of the pitch or in the tunnel. Please hand medals out once the team is back on the concourse level. Please note that medals are given on the basis of number of players + 3 subs. Please discuss with your club chair if you have extra medals, or a shortfall.
12. You MIGHT have a brief opportunity to take photos at the photo board near the mouth of the tunnel, but **ONLY** if this is not holding up other teams or disrupting other activities. If the organisers ask you to move on, please to so immediately.

SUNDAY – HK Stadium

Not quite so busy, but all the above points still apply.

For teams playing in the first time slot on Sunday only (i.e. 7:13am kick-off), your club chairs will be in touch with to discuss special arrangements.

FRIDAY – So Kon Po

Apart from a few coaches to keep the players moving and on the line of march, coaches should keep on the inside (pitch side) of the March Past.
Don't:
<ul style="list-style-type: none"> ✗ Stop - whether for photos or to speak to the crowd - or allow children to separate from your club. ✗ Allow a gap to form within your club. ✗ Allow the children under your charge to engage in horseplay. ✗ Let any member of your club - children or coaches - get close to the goal line. ✗ Bring any bag or beverage container into the tunnel or on the March Past.
<p><i>As a coach, you are responsible for the behaviour of your club's members.</i></p> <p><i>Your club's participation at this event is at risk if you do not follow these guidelines.</i></p>

MARCH PAST BRIEFING

There will be a March Past Briefing on Saturday (the day of the March Past), for all Club Chairs / Reps with Accreditations. Attendance is **MANDATORY FOR ALL ACCREDITATION HOLDERS**. This is critical to ensure everyone understands their roles, and to communicate any last-minute changes from the World Series, HKRU or stadium management.

The Briefing will be mid/late-morning (time TBC) at the front of Olympic House, and will only last 15 minutes. Please respect your colleagues by arriving on time. If you know you will be unable to attend, arrange a proxy to come for you, AND inform the Showcase Co-ordinator via SMS or WhatsApp, in good time, or one of the HKMRFU Executive.

MINI RUGBY - ASSEMBLY PROCEDURES

Everyone participating in the March Past must wear their Club's **rugby kit only (Club jersey, rugby shorts, rugby socks, trainers)**. Only players, nominated coaches and assigned referees are to take part. Clubs are not to permit additional parents to join the march past.

Club Chairs are required to be at the top of the tunnel (Concourse level) to organize their Clubs.

Clubs should gather their teams ready to enter the tunnel by **2:05pm**. The March Past Leaders (MKY) should assemble at the bottom of the escalators, whilst all other clubs should assemble up the left side of the ramp (looking up the ramp).

Clubs should line up in the following order:

(FRONT)

MKY POL SSP SCAA SKS SLB TC THT TMS TP TSW TWR **VF** ABN DBP **USRC** EK FK HKE **HKFC** HKU

(Clubs in blue will exit EAST)

(BACK)

(Clubs in orange will exit WEST)

The line of players should wind up the ramp towards the upper level keeping tight against the wall to avoid blocking the movement of others up and down the ramp.

Within each club the youngest players should be at the front and oldest at the back.

Players should line-up 5 abreast and this format should be maintained throughout the march past.

On allowing players and coaches into the tunnel (**around 2:15pm**) officials will check that they are in full club shirts, shorts and socks.

The first club will be stopped at the bottom of the tunnel ramp. The line of players must be kept to the wall on the left (looking down the tunnel).

Shortly before starting the march past, the line of players will be moved forward towards the pitch behind the Police Bands.

MINI RUGBY - MARCH PAST

ORDER OF MARCH

- Shortly before starting the march past the line of players will be moved forward towards the pitch behind the Police Bands.
- Once on the pitch (**at 2.22pm**) all clubs will march waving at the crowd behind the Police Bands, down the West side (**between the 5m and the 15m lines**), they will turn LEFT across the South 22m line, and then turn LEFT again along the East side (**between the 5m and the 15m lines**) to the East Tunnel Exit.
- Marshals will be at the turning points, and other volunteers (coaches) posted along the line of march to keep teams on the right line and ensure any gaps between clubs can be closed quickly to keep the march flowing.

Note: During the March Past, the crew will be setting up the staging and wiring for the band in the area between the **NORTH 10m LINE and the NORTH GOAL LINE**. For the safety of players - **NO MINI RUGBY PLAYERS SHOULD BE ALLOWED INTO THIS AREA AT ALL**. Please be aware that the staging crew may extend this area to the half way line.

- Up to this time the important points are:
 - **Club's MUST turn left before the South 22m line. Do NOT allow players or coaches to go near the rugby posts.**
 - Avoid gaps forming within the line of players. Keep pace with the march.
 - Prevent players from straying out of the line to chase souvenirs thrown by the crowd.
- **Coaches** should spread themselves alongside the players on both the 'pitch-side', with a few also on the 'stand-side' of the line to prevent players from drifting towards the centre of the pitch, or towards the crowds. In addition coaches should be on the end of the club's group (just before the next club) to gather up any player falling behind the group.
- Clubs will be asked to provide one coach per club to precede the main body of clubs, to drop off into predetermined spots along the line of march (West, South and East sides). Coaches walking with their teams should stay on the INSIDE of the marchpast to give players and spectators the best, unimpeded view.
- PLEASE REMAIN VIGILANT AT ALL TIMES. THERE WILL BE A LARGE NUMBER OF PEOPLE AND PLAYERS (both Mini Rugby and Senior Rugby) AND CHILD SAFETY MUST BE THE UTMOST PRIORITY.
- ENSURE THAT YOUR CLUB DOES NOT 'SPREAD' OUT DURING THE MARCH. KEEP THE PLAYERS TOGETHER AS FAR AS POSSIBLE.
- IT IS A VERY GOOD IDEA TO ASK PARENTS TO WRITE THEIR PHONE NUMBERS ON THEIR CHILD'S ARM IN PERMANENT MARKER - ESPECIALLY FOR THE YOUNGEST PLAYERS.

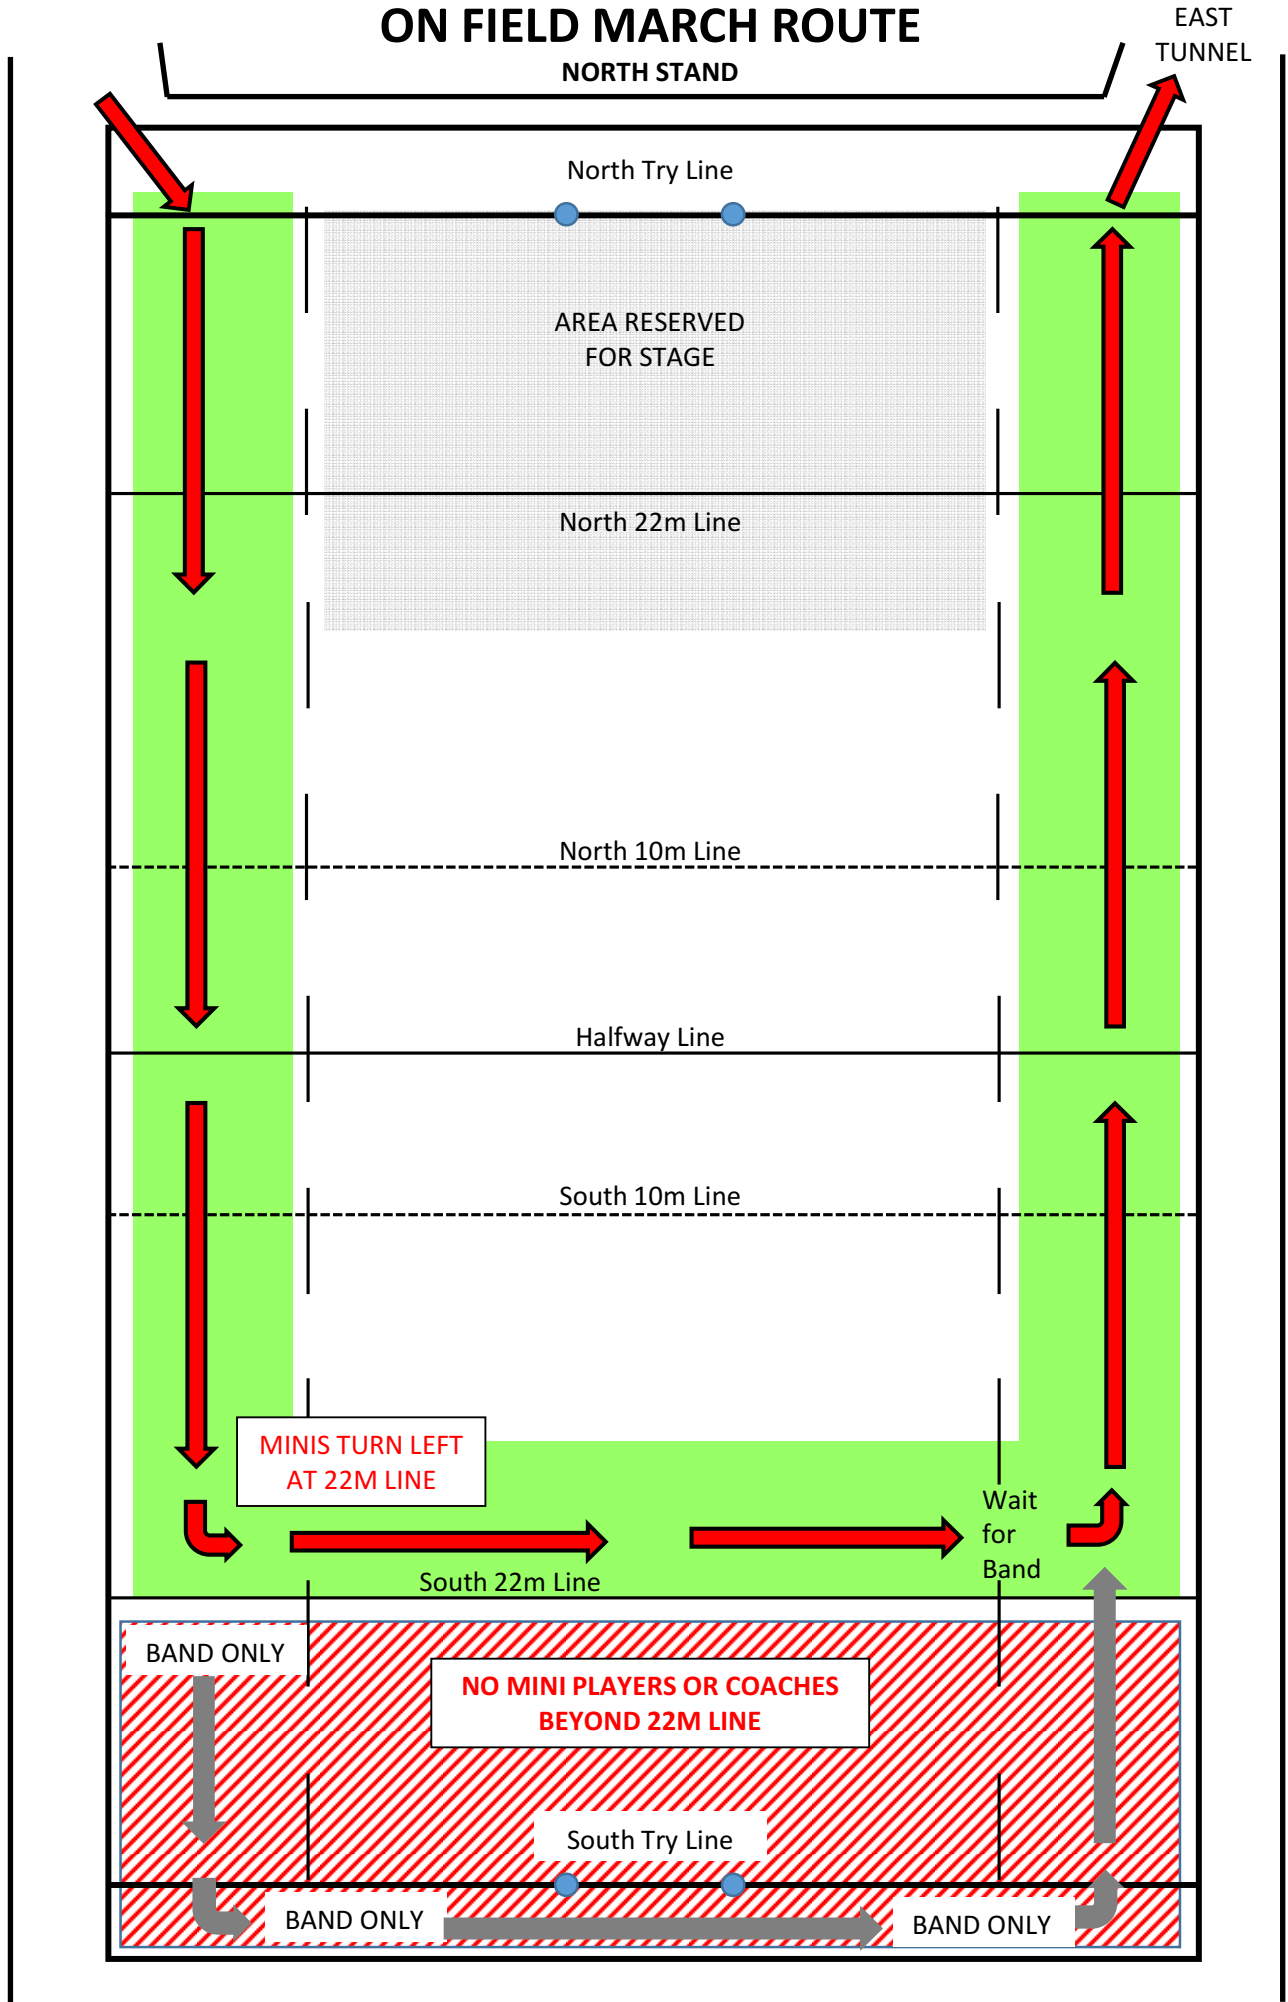

**REVISED
30 Mar**

For information, the complete order of the March is as follows:

Group 1	Group 2	Group 3	Group 4	Group 5	Group 6	Group 7	Group 8	Group 9	Group 10	Group 11
Police Band	HK Women's Players (XVs and XII Team)	Leading Flags	Mini Rugby Clubs	HSBC TRY Rugby Program Students	Scout Band	National Teams (x 28)	Referees	Medical	Ball Retrieval	Cheer Leaders
Aux Police Band										

COACHES PLEASE READ THIS: You are responsible for the safety and behaviour of your players during the March Past. Allowing players to tackle one another, dive on the grass or stray outside the designated marching area is NOT acceptable. You are not there to take photos, you are there to help ensure the March Past goes smoothly and finishes on time. Do NOT allow your players to stop for people in the crowd to take photos of them. If you do not do your job you risk there being no involvement by mini rugby in future March Pasts.
